the "Terms and Conditions" governing the printing work of the Council.

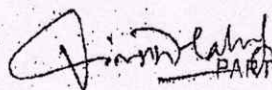

5. The firm will be required to collect all the materials, i.e. typed manuscript/hand written manuscript from the Council. The firm has to supply typeset pages on good quality white paper as mentioned in the rates for Laser typesetters.
6. The EMD drafts of Rs 50,000 (Rupees Fifty Thousand only) submitted by you vide no. dated will be returned and you have to submit a Performance Security Deposit of Rs. 1,00,000/- (Rupees One lakh only) in the form of Bank Draft/Bank Guarantee in favour of "Project Director (DKMA) ICAR" by 13.07.2015. The security deposit will be retained with the Council up to three years or till the successful completion of the job/jobs assigned to you from time to time. No interest will be paid on your security deposit for the period of its retention in the Council.
7. You have to send the Acceptance of Rates enclosed with this letter alongwith a performance security deposit of Rs. 1,00,000/- (rupees one lakh only) in the form of Bank draft. Your acceptance as well as security deposit should reach the 'Under Secretary' (DKMA), Room No. 620, 6th Floor, KAB-I, Pusa, New Delhi-110012 by 13.07.2015 positively otherwise it will be assumed that you are not accepting the rates offered by the Council and you will not be empanelled with the Council.
8. All the page negatives/positives (Text as well as plates, covers, jackets etc.) will become the property of the Council. As such all the negatives/positives duly arranged in sequence and interleaved with butter paper will have to be returned to the Council in good condition immediately after the jobs have been completed and their bulk copies supplied to the Council. In case of printing through CtP (Computer to Plate), the press will not be liable to submit the negative/ positives of the job done. However, the press has to submit the complete backup of the final version printed book in a good quality writable C.Ds to the Council.
9. The Presses may be required to use the requisite quantity of paper and binding cloth etc. from its own stock as per approved rates. Wastage will be allowed on admissible consumption of paper in accordance with the BIS Standard, 'Guide for Paper Spoilage and Wastage for Printing Industry IS : 12000 (Part I) 1987.
10. The Council will insist upon the timely printing of jobs. Tentative printing schedules will be made separately. Within this time frame, fresh date-wise printing schedule can also be prepared if so desired by the Press. Once finalised the printing schedule will have to be adhered to strictly. Failure on this account, in respect of journals will result in full rate posting and the printer will have to pay the difference of concessional rate and full rate of posting. Besides, the Printer will also be liable to penalty as further decided by the Council in respect of delay in printing journals and other publications on job to job basis.
11. If the Council feels at any time that any job is being delayed at your Press for whatsoever reason, it will have the right to withdraw the same and entrust the

same to any other Press for urgent execution. You will be required to extend fullest cooperation to the Council as well as the press to whom the job is further entrusted.

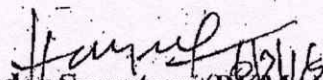

12. Complete ferro/ammonia proofs/ laser printouts in colour and black and white of the jobs, will have to be shown to the Council for its approval before undertaking the final printing without any extra cost to the Council. The instructions/corrections marked by the Council on the ferro/ammonia proofs / laser printouts in colour and black and white will have to be carried out very carefully by the Press without any extra cost to the Council. In some cases, wherever essential another set of corrected ferro/ammonia prints / laser printouts in colour and black and white will also have to be shown without any extra cost to the Council. On the contrary, in urgent publications the Council may decide not to see the ferro/ammonia proofs at all. In that case the printer will have to print the publications taking full responsibility of the compliance of instructions given by the Council.
13. The press will be required to collect all the material i.e. composed pages, illustrations, transparencies/colour prints etc. from the Council in one or more lots.
14. The press will have to process/scan/plan the colour, B&W, Line illustrations of the Council's publications, for this work the conventional and modern methods of processing will be used as decided by the Council. The presses are required to give Complete back up of the Councils' finished jobs in digital format on CDs, for this rates of the blank CDs of good quality as per the specifications.
15. Failure on your part to observe the prescribed procedure and any attempt to canvass for the work are liable to lead to the rejection of your quotations.
16. The Project Director (DKMA), Indian Council of Agricultural Research is not bound to accept the lowest quotations or any quotation or to assign any reason for rejection of any or all the quotations. He also reserves to himself the right of accepting the whole or any part of the quotations. His decision in these matters shall be final and binding on the firm.
17. Preference would be given to those firms who are operating in shifts i.e. round the clock service. In case of emergency, the firm shall have to work on off-days also to complete the work.
18. The printing arrangement may be terminated at any stage of the work at the discretion of the Project Director (DKMA), Indian Council of Agricultural Research without assigning any reason and payment will be made for the work if considered satisfactory by him. The decision of the Project Director (DKMA), Indian Council of Agricultural Research in all these matters shall be final and binding on the firm.
19. In the event of press being not able to complete the job and leaving it unfinished in between for whatever reason, no payment whatsoever will be made to the Press by the Council for the work done irrespective of its nature and quantum.

20. The Council also reserves the right to withdraw any part of the job or the whole of it at any stage, even after acceptance of the quotations/finalization of the printing arrangement and assignment of the job without assigning any reason therefore. The decision of the Project Director (DKMA), Indian Council of Agricultural Research in all these matters shall be final and binding on the firm.
21. The press has to submit a certificate in respect of utilization of Quality of Printing paper actual used for the printing of job allotted as per specifications and approved rates of Paper. The firms are advised to use the actual quality of paper as approved by the council. In the event of any deviation, no payment whatsoever will be made to the Press by the Council for the part of the work done irrespective of its nature and quantum and the firm is liable to be black listed.
22. In case of any item of work not covered under the printing arrangement, the rates decided by the Council therefore, will be final and binding on the press.
23. No separate contract, as such, will be drawn up, and accepted by this Office once the quotations of the selected press will constitute a valid contract for the enforcement of the enclosed terms and conditions (Annexure-IV), for three years or for such period upto which the printing arrangement is extended.
24. The copy of approved rates is enclosed. These rates will hold good from the date of issue of this letter up to 31.07.2018 in the first instance, which may further be extended for such a period as the Council may decide in consultation with you. ANNEXURE-II

**TERMS AND CONDITIONS GOVERNING THE GRAPHIC DESIGNING WORK OF THE
INDIAN COUNCIL OF AGRICULTURAL RESEARCH**

1. The Graphic Designer shall design and deliver the digital file of the complete job as per format and style as prescribed by the ICAR in a good and workmanlike manner (all of which the ICAR shall be the sole judge) within the limits of time as the ICAR may deem reasonable and specify and in such quantity or quantities as may be from time-to-time ordered by the ICAR.
2. The Graphic Designer will have to make necessary arrangement for Proof Reading/Comparison of the first galley proof only along with the original manuscript supplied by the Council. Thus the corrected designed proofs only will have to be supplied to the Council.
4. As a measure of expediency it may be decided in some cases not to call for proofs for checking and approval before final dummy print outs are taken. In such cases the responsibility of checking and passing the proofs shall rest with the Graphic Designer.
5. The Graphic Designer shall, if called upon to do so, give full information with regard to all the work of the ICAR in hand whatever be the stage and shall also permit the officer deputed by the ICAR to inspect Graphic Designers premises at all reasonable times and shall give all assistance and information as may be required by him in connection with the work.
6. If any items of work/operation not provided for, are required to be performed by the Graphic Designer, rates to be paid therefore shall be determined by the ICAR.
7. All jobs shall be carried out by Graphic Designer with due regard to clarity and efficiency involved in the Graphic Designing work.
8. The Graphic Designer shall take every care to see that the work or any portion thereof does not fall into unauthorized hands. Care shall be taken to execute the work under security conditions. All proofs and trial and spare copies shall be destroyed by burning or by shredding in the presence of a responsible person of the firm/company. **All design/photographs/dummy etc. will become the property of ICAR and the copyrights of all items will be of ICAR. No photograph/design may be reproduced or handed over to any person or printed without the written permission of ICAR.**
9. After the job is completed and the final Laser Print Outs supplied by the Graphic Designer, the complete backup of the final matter should be submitted to the council in CD/DVD. This is very important and may please be noted with care.
10. Even after supplying the entire backup of the publication to the council, the laser typesetter has to keep the same backup at his end for the entire period of empanelment.
11. The Graphic Designer shall not assign or sublet the work or any part thereof without having first obtained the permission in writing from the Council. The Council shall be at liberty in its discretion, to refuse such a request of the Graphic Designer.

12. After the work has been completed, a pre-receipted bill of the case, in triplicate, prepared on the basis of the accepted rates shall be submitted by the Graphic Designer to the ICAR, together with the delivery vouchers for the supplies made, (ii) Receipt/delivery vouchers of the MSS, photographs, line illustrations or any other materials, if any.
13. A sum not exceeding two percent of the typesetting charges, shall be deducted by the Council from the amount of the bill of the typesetter for every week's delay or part thereof in not complying with the date of delivery of the design, but this clause shall not operate if the delay caused is due to circumstances beyond Graphic Designers control. The ICAR shall have the power to determine the scale of deduction, if any, in such cases under this clause and its decision shall be final.
14. In case of strikes, combination of workmen, fire accidents or circumstances beyond the control of the Graphic Designer causing stoppage of the work, the delivery of completion of the work may be suspended without penalty and the ICAR shall have the power during such stoppage to get the work done elsewhere, without any charge to the Graphic Designer. The latter shall afford every facility for the removal and use elsewhere of such of the floppies/CD/or other stored material as may be necessary for the successful completion of the work.
15. **PENALTY :**
- (a) In the event of the typesetter failing to: (i) observe or perform any of the conditions of the work as set out herein this annexure OR (ii) to execute the work in a good and workmanlike manner and to the satisfaction in the time limit fixed by the ICAR, it shall be lawful for the ICAR in its discretion, in the former event, to remove withheld any part of the work until such time as it may be satisfied that the typesetter is able to do and will duly observe the said condition and, in the latter event, to reject or remove, as the case may require, any work executed otherwise by them in a good and workmanlike manner to the satisfaction of and by the time fixed by the ICAR and in both or either of the events aforesaid, to make so removed or in lieu of that so rejected or removed as aforesaid on the account and at the risk and cost of the typesetter.
- (b) Provided further, that if in either event any excess cost be incurred by the reason of the difference between the prices paid and the accepted rates (to be certified by the ICAR whose certificate shall be final), the ICAR may charge the amount of such excessive cost to the Graphic Designer and the same may at any time be deducted from any sum or sums then due or any other work or may be demanded of him to be paid within fifteen days to the Council.
- (c) In the event of any discover of error or defect due to the faults of Graphic Designer at any time after the delivery of the design ordered, the Graphic Designer shall be bound, if called upon to do, to rectify such error or defect at his own cost to the satisfaction of and within the time fixed by the ICAR. In the event of the delivery of any defective work, which owing to urgency or for any other reason cannot be wholly rejected, the ICAR shall have the power to deduct from any payment due, the 10% of the value of the particular portion or portions adjudged to be defective.
- (d) In the event of a work wholly rejected, the ICAR may at its own discretion either;
- i) Permit the Graphic Designer to redo the same within such time as the ICAR may specify at Graphic Designer's cost which shall include the cost of all materials.
- OR
- ii) arrange to get the designing work done elsewhere and by any other person or from any other source than the Graphic Designer, in which case the amount of extra cost, if any, shall be recovered by the ICAR from the Graphic Designer in the manner provided in sub-clause (b) of this clause.
16. In the event of the Graphic Designer having adjudged insolvent or having a receiving order or other order under the Insolvency Act and in the case of a Company, or the passing of any resolution or making of any order for winding up, whether voluntary or otherwise, or in the event of the Graphic Designer failing to comply with any of the conditions herein specified, the Council shall have the power to cancel the work without previous notice.

**OFFSET
ANNEXURE – X**

**TERMS AND CONDITIONS GOVERNING THE PRINTING WORK OF THE
INDIAN COUNCIL OF AGRICULTURAL RESEARCH**

1. The printer shall print, bind and generally deliver the work in clear and eligible type, form and style in a good and workmanlike manner (all of which the ICAR shall be the sole judge) within the limits of time as the ICAR may deem reasonable and specify and in such quantity or quantities as may from time to time before ordered by the Council.
2. As a measure of expediency, it may be decided in some cases not to call for proofs for checking and approval before copies are finally printed. In such cases the responsibility of checking and passing the proofs shall rest with the Printer. It shall be advisable, therefore, for the printer to give the matter a final reading when the forms are on the machine so as to avoid *misprints*. No remuneration on account of this proof reading or extra care will, however, be admissible.
3. The printer shall be required to arrange for blocks and plates, if any, included in the work entrusted to him, if such blocks, etc. are not supplied by the ICAR.
4. The printed copies shall be supplied by the printer to the ICAR duly tied up into suitable size bundles of an equal number. Local delivery shall be made with wrapping paper or otherwise as directed by the Council. Outstation consignment, which cannot be sent by post, shall be dispatched by rail properly packed in gunny cloth or in packing cases, (whichever is less expensive consistent with the safety of the contents) and the packages shall be placed F.O.R. local railway station for dispatch by passenger or goods train, as may be specified by the ICAR "Freight to pay/paid". Railway receipt shall be sent to the ICAR the same day under a certificate of posting and for Express Delivery.
5. The Printer shall, however, if called upon to give full information with regard to the work in hand, and *shall* also permit the officer deputed by the ICAR to inspect the printer's premises at all reasonable times and shall give all assistance and information as may be required by him in connection with the work.
6. If any item of work/operation not provided for are required to be performed by the Printer, rates to be paid therefore shall be determined by the ICAR.
7. **Precautionary Measures:** All jobs shall be carried out by the Printer with due regard to economy in paper consumption as well as in production cost without loss of clarity and efficiency.
8. The Printer shall take every care to see that the work or any portion thereof does not fall into unauthorised hands. Care shall be taken to execute the work under security conditions. All proofs and trial and spare copies shall be destroyed by burning in the presence of a responsible person of the press. A certificate to this effect shall be sent by the Printer to the ICAR after the completion of the work.
9. The Printer shall not assign or sublet the work or any part thereof without having first obtained the permission in writing of the ICAR. The ICAR shall be at liberty in its discretion, to refuse such request of the Printer.
10. **Paper and Materials:** All papers and binding materials necessary for the work shall be arranged by the Printer, if not specified otherwise. If paper and binding materials are furnished by the ICAR, the cost of transit of such paper and materials other than railway freight and terminal tax, if any) from the supply source to printer's premises, shall be paid by the printer and subsequently claimed from the ICAR. The Printer shall provide the necessary staff and transport for this purpose and he shall be entirely responsible for the safe custody of the paper and binding materials issued to him. When submitting the bill for the work, he shall state how much paper and binding material has been used for the work. A complete account of the receipt consumption and balance of the paper and binding material supplied for the work, shall be rendered to the ICAR. For storing paper and binding materials on behalf of the Council, the printer will have to execute a bond in the prescribed form (Annexure IX).
11. After the work has been completed, the bill for the work, in triplicate, prepared on the basis of the accepted rates shall be submitted by the Printer to the ICAR together with, (i) Receipt/delivery voucher for the supplies made, (ii) account showing the receipt, consumption and balance, if any of the paper and binding materials, if supplied by the ICAR, (iii) representative specimens of the work done, and (iv) any other document/documents in support of the items charged for in the bill. The balance of the paper and binding materials, if any, kept in safe custody by the Printer showing the receipt of disposal instructions from the ICAR.
12. All Film negatives/positives, proofings, CDs, Floppies, etc. which have been supplied by the ICAR or have been prepared by the Printer for the work shall be returned to the ICAR in good condition (duly packed) after completion of the work.
13. A sum not exceeding two per cent of the composing, page making and processing/scanning charges/

printing and binding charges, shall be deducted by the ICAR from the amount of the bill of the Printer for every week's delay or part thereof, in not complying with the date of delivery of the proof/fair copies respectively, but this clause shall not operate if, the delay is occasioned owing to the paper and/or binding materials not being received in time or due to other circumstances beyond the Printer's control. The ICAR shall have the power to determine the scale of deduction in such cases under this clause and its decision shall be final.

14. In case of strikes, combination of workmen, fire, accidents or circumstances beyond the control of the Printer causing stoppage of the work, the delivery or completion of the work, may be suspended without penalty and the ICAR shall have the power during such stoppage to get the work done elsewhere, without any charge to the Printer. The later shall afford every facility for the removal and use of work elsewhere of such standing type and materials as may be necessary for the completion of the work.
15. **PENALTY:**
 - (a) In the event of the printer failing to: (i) observe or perform any of the conditions of the work as set out herein OR (ii) to execute the work in a good and workmanlike manner and to satisfaction of and by the time fixed by the ICAR, it shall be lawful for the ICAR in its discretion, in the former event, to remove or withheld any part of the work until such time as it may be satisfied that the Printer is able to do and will duly observe the said condition and, in the later event, to reject or remove as the case may require, any work executed otherwise by them in a good and workmanlike manner to the satisfaction of and by the time fixed, by the ICAR and in both or either of the events aforesaid, to make such arrangements as it may think fit for the reproduction of the work so removed or in lieu of that so rejected or removed as aforesaid on the account and at the risk and cost of the Printer.
 - (b) Provided further, that if in either event any excess cost be incurred by the reason of the difference between the prices paid and the accepted rates (to be certified by the ICAR whose certificate shall be final), the ICAR may charge the amount of such excess cost from the Printer and the same may at any time be deducted from any sum or sums then due or which at any time thereafter, may become due to the Printer under this or any other work or may be demanded of him to be paid within fifteen days to the ICAR.
 - (c) In the event of any discovery of error or defect due to the fault of printer at any time after the delivery of the copies ordered, the Printer shall be bound, if called upon to do so, to rectify such error or defect at his own cost to the satisfaction of and within the time fixed by the ICAR. In the event of the delivery of any defective work, which owing to urgency or for any other reason cannot be wholly rejected the ICAR shall have the power to deduct from any payment due to the Printer such sum as it may deem expedient not exceeding 10% of the value of the particular portion or portions adjudged to be defective.
 - (d) In the event of a work wholly rejected, the ICAR may at its own discretion either:
 - (i) *Permit* the printer to redo the same within such time as the ICAR may specify at Printer's own cost which shall include the cost of paper and other materials
 - OR
 - (ii) Arrange to get the work done elsewhere and by any other person or from any other source than the Printer, in which case the amount of extra cost, if any, apart from the actual cost of the job, paper and other materials involved shall be recovered by the ICAR from the Printer in the manner provided in sub-clause (b) of this clause.
16. In the event of the Printer having adjudged insolvent or having a receiving order or other order under the Insolvency Act and in the case of a Company, of the passing of any resolution or making of any order for winding up, neither voluntary or otherwise, the ICAR shall have the power to cancel the work without previous notice.
17. In the event of lockout/closure of a press on account of liquidation, strike, fire accident, or any other circumstances the ICAR reserves the right to withdraw the job, at whatever stage it be, without any obligation of payment or reimbursing expenditure in respect of work done (including Films/plates/fromes made) and also to withdraw/take possession of the manuscript, photographs, illustrations, paper, binding cloth etc. supplied earlier in connection with the printing of the job.
18. In the event of making a supply of the printed copies short of the actual number of copies ordered, the Council will deduct the sale price of the copies supplied short from their respective bill.
19. The Council reserves the right to entrust the work to other printers on the basis of the lowest quotations accepted by the Council.
20. In the event of the Printer failing to comply with any of the conditions specified herein or in the offer document or in the form of specifications of different jobs, the ICAR shall have the power to cancel the work without previous notice or assigning any reason therefor. The Council also reserves the right to withdraw any part of the job or the whole of it, at any stage, even after acceptance of the quotations/finalisation of the printing arrangement and assignment of the job without assigning any reason therefore. The decision of the Project Director, Directorate of Knowledge Management in Agriculture (DKMA), Indian Council of Agricultural Research, New Delhi in all these matters shall be final and binding on the Printers.
